

### Strategic Location

With manufacturing facilities in Dubai at 'DIP' and 'JAFZA' (one of the most modern free zones in the world), we are strategically located at the crossroads of three continents – Europe, Asia and Africa. Excellent infrastructure, matching the highest international standards, facilitates efficiency and speed which ensure 'in time' deliveries to our customers.

### Reliability & Customer Focus

Over the years, we have emerged as a benchmark of quality in the industry. Each creation has been inspired by the trust reposed in us by our valued customers. Every effort is made to ensure that our customers rate us high on reliability.

By identifying our clients' needs, and providing apt solutions to address those needs, we have been able to forge long-term relationships with our customers. No job is considered well done till it has met absolute customer satisfaction.

This 'positive' attitude has earned us the company of many multinationals and renowned corporations across the globe. For now and forever.
